

As a member of the **MALCOR Health Care Plan** you enjoy an exclusive health insurance product designed to provide essential cover when you need it most.

MALCOR GAPcover 2023

MALCOR GAP COVER is an insurance product which has been designed to protect medical aid members from additional unbudgeted costs during hospitalisation, including shortfalls as a result of members going outside scheme networks. Although most medical aid schemes cover hospital costs at 100% of the applicable medical aid rate, the member is often left with a substantial shortfall in costs relating to specialist, surgeon, anaesthetist and other provider services. The benefit of **MALCOR GAP COVER** is that it provides cover on service provider charges in excess of the recommended medical aid rate with an upper limit of 7 times this rate and subject to an aggregate gap cover annual limit of R185 837 per insured person per annum.

MALCOR GAPcover Offers:

- Gap Cover up to 700% of medical scheme rate
