REGISTRAR OF MEDICAL SCHEMES

The above service providers shall for the purpose of this Annexure be referred to as Designated Service Providers (DSPs).

1. The Scheme will pay prescribed minimum benefits obtained from DSPs at 100% of the cost or agreed rate where relevant, in respect of diagnosis, treatment and care. The same will apply where service was involuntary obtained from any other provider.
2. Prescribed minimum benefits voluntarily obtained from other providers: If a beneficiary voluntarily obtains diagnosis, treatment and care in respect of a prescribed minimum benefit condition from a provider other than a designated service provider, the benefit payable in respect of such service will be paid at 100% of the Scheme rate or contracted rate where relevant.

Notes:

1. For approved PMB conditions, all treatment codes and procedure codes must accord with the Scheme’s baskets of care. The Scheme may have regard to Regulations 15H(c) and 15I(c).
2. No healthcare costs associated with a PMB will be paid if such costs are incurred outside of the borders of South Africa.
